ABOUT US

Collingwood Health is a full service national occupational health provider with two national offices in Sheffield and Slough focussing on the industrial North and South.

We boast a vast network of associated clinics throughout the United Kingdom, so customer location is not a problem.

With our mobile units we cover any area of the United Kingdom for onsite clinics and health surveillance, so remote locations are accessible.

Having been in occupational health for over 70 years, we proudly bring our experience and efficient, organised occupational health services to the doorsteps of innumerable clients.

Please feel free to ask questions about any of the services we offer. We are happy to discuss rates and work on bespoke packages that fit your business.
